Exploring Senior Secondary Students' Perceptions and Interest in Agricultural Science Education: A Case Study in Benue State, Nigeria

Published On: September 30, 2025 | Pages: 045 - 051

Author(s): Shishi Mkulega Christopher*

This study examined the perceptions and interests of Senior Secondary Students regarding agricultural science education in Benue State, Nigeria. Four research questions guided the study, and four hypotheses were tested at the 0.05 level of significance. The study adopted a survey design. The population was 400 respondents. The sample of 200 respondents, which comprise ...
