The effect of dietary Aloe vera powder on growth performance and survival rate of *Oreochromis niloticus* fries

Published On: May 03, 2023 | Pages: 004 - 011

Author(s): Jared J Ochingo*, Mercy Chepkirui and Vivian Kemunto

This study aimed to evaluate the impact of dietary Aloe vera on the growth performance parameters of *Oreochromis niloticus* fry. A feeding trial was conducted for a month at KMFRI Sang'oro Aquaculture station and 135 fish were randomly assigned to three treatments, including a Control group (C1), a group fed with 1% Aloe vera (A1), and a group fed with 2% Aloe vera (B1 ...
