Market profile and performance analysis of cultured fish actors

Published On: September 29, 2023 | Pages: 012 - 021

Author(s): Ololade Rachel A*, Olagunju Funke I, Adejo John R and Adejumo Taiwo J

Cultured fish marketing is highly entrepreneurial. It is a highly perishable commodity that deteriorates very rapidly, rendering it unfit for human consumption if kept for a long time without processing. This study aims to examine the performance of cultured fish actors (producers, processors, wholesalers, and retailers involved in the selling of fish), identify the f ...
